

Key Principles for Coordination with Settlement Agents for Electronic Settlement Systems

- Key principles regarding collaboration/cooperation with FinTech companies

J.P. Morgan Chase Bank Tokyo Branch will refer to Global Policies and Standards as necessary when considering collaboration with FinTech companies, on a case by case basis

- Plans on providing Open API and the reasoning and timelines

As described above each engagement will be looked at individually on a case by case basis.

- Plan on engaging third party vendors for system design, operation and maintenance in relation to Open API

The system design, operations and maintenance will be decided based on each engagement

- Contact information for FinTech companies, and others

J.P. Morgan Chase Bank N.A. Tokyo Branch, Treasury Services, Product Management
(Telephone: +813-6736-1000)

The main communication language for each engagement will be in English.

Note : The above principles are based on the *Cabinet Office Ordinance on Policy for Coordination and Collaboration with Settlement Agents for Electronic Settlement Systems of Banks.*
